Covid-19 Response Feedback

Below you will see an example of the survey that we would use to help you measure your performance in response to COVID-19. To participate in the survey, please send us an email. We will respond to you within 48 hours.

In an effort to understand and meet your needs, we are seeking quick feedback from clinicians regarding our organization’s response to COVID-19. If you have any immediate concerns or problems, please contact the following number, and we will quickly answer questions and adjust our response to this crisis as needed: 555-555-5555

Clinical background

☐ Practicing physician (MD/DO)
☐ Physician resident or fellow

- Probably not
- Definitely not

Do you feel you have the necessary resources to appropriately meet the needs of your other patients (those who likely do not have COVID-19)?

- Definitely yes
- Probably yes
- Might or might not
- Probably not
- Definitely not

We are concerned about your health. The following survey question is part of the American Medical Association's measure of burnout.

Using your own definition of burnout, select one of the answers below:

- I enjoy my work. I have no symptoms of burnout.
- I am under stress and don’t always have as much energy as I did, but I don’t feel burned out.
- I am definitely burning out and have one or more symptoms of burnout (e.g., emotional exhaustion).
- The symptoms of burnout that I am experiencing won’t go away. I think about work frustrations a lot.
- I feel completely burned out. I am at the point where I may need to seek help.

If you are experiencing symptoms of distress and are considering harming yourself, please contact the national suicide lifeline by calling **800-273-8255**.

Is there anything you want to communicate to leadership regarding our COVID-19 response?

Please leave your name and how you’d like us to contact you if you want a response back.
